**CANADIAN ENVIRONMENTAL
ASSESSMENT ACT:
AN ANNOTATED GUIDE**

Beverly Hobby

Release No. 25, December 2018

This looseleaf service contains all the current case law and legislation and is your one-stop resource for a clear and complete understanding of the legislation and policies governing this area of law. Written by a team of experts who helped develop the Act, this resource includes: the historical context in which the *Canadian Environmental Assessment Act* was proclaimed; a detailed and practical commentary of each section of the Act with cross-references to other sections and regulations; a useful summary of relevant case law and cases pending before the courts; a useful summary of all important legal procedural issues addressed by the courts; as well as the text of the Act and main regulations.

What's New in this Update:

This release features new commentary and case law throughout the book.
