FRANCHISE LEGISLATION IN CANADA

Peter Dillon

Release No. 22, December 2018

Franchising has become a highly technical, hotly litigious and liability-prone area of practice. Whether you represent franchisees or franchisors, Franchise Legislation in Canada is a must-have resource for any lawyer practicing in this area. Filled with valuable commentary, case annotations, precedents and background, this text is an indispensable desk-top reference. Franchise Legislation in Canada has the most comprehensive series of Concordances of provincial and US laws and regulations, making it the only truly national and international resource on the topic of franchising.

What's New in the Update:

This release features the addition of a Franchise Law Words and Phrases Judicially Considered. This release also incorporates amendments to the New Brunswick Disclosure Document Regulation and the New Bruns-

wick Mediation Regulation. This release also features updates to the Bibliography. Under the Related Statutes tab, the *Competition Act* is included as a relevant and valuable reference tool.

Highlights

- **Franchise Law Words and Phrases Judicially Considered** — This section of *Franchise Legislation in Canada* is a reference tool for accessing words and phrases that are applicable to and have been considered in the context of franchise law. It is valuable for challenging and defending the interpretation of words used in a judicial decision considering a franchise law issue. The words and phrases are organized alphabetically. Each entry consists of a consideration or definition of the relevant word or phrase, appearing as an extract from a judicial decision.
