FROM THE PUBLISHER

From the Publisher:

In this issue of the Bulletin, we tell you about the 2014 publishing program for The Canadian Abridgment products. As usual at this time of year, we provide you with planned reissues, the anticipated publishing schedule and an estimate of the prices of our Abridgment products in the upcoming year. We will advise you of any changes in our plans as far as possible in advance during 2014.

I welcome any comments or suggestions that you have concerning The Canadian Abridgment.

Jilean Bell, B.A. (Hons.), LL.B.
Director, Legal and Regulatory Solutions

The only major reconsolidations planned for 2014 will be for the Case Law Digest component of the Abridgment, and the Index to Canadian Legal Literature.

We plan to reissue only one title of the Case Law Digests: **Labour and Employment**. We expect the reissue to comprise 30 volumes.

The Labour and Employment reissue will involve a significant enhancement of the title. The reissue will involve both the addition of new material and the upgrading of a large number of classification-only case digests. The value of the Labour and Employment title will be significantly enhanced by this process.

While we endeavour to provide you with the most accurate prices and publishing dates, it is impossible at this time to state with absolute certainty the number of volumes, month of publication, and price. All prices are estimates and may change. We can, however, provide you with an outline of the 2014 program as it is currently planned, and we will keep you informed of any variation as the year unfolds.
