Alternative Dispute Resolution

Annotated Ontario Arbitration Legislation - Arbitration Act, 1991 and International Commercial Arbitration Act, 2017 – Third Edition

Alexander Gay and Master Alexandre Kaufman

\$140

Gain a nuanced understanding of the *Ontario Arbitration Act, 1991* and the *International Commercial Arbitration Act, 2017*, and recent case law with this singular resource. The Third Edition of **Annotated Ontario Arbitration Legislation – Arbitration Act, 1991 and International Commercial Arbitration Act, 2017** brings you up to date on key arbitration topics with section-by-section commentary and case law about these Acts. It explains concepts that are relevant to everyone involved in arbitrations.

The major sections of this book follow those in the Acts, making this work:

Convenient – Canadian case law and commentary is organized by subject matter that is common to arbitration legislation across Canada

Comprehensive – All case law since the legislation was enacted has been canvassed, and where appropriate, case law from other jurisdictions is used to illustrate the principles discussed

Practical – Provides vital information needed to draft clear arbitration agreements.

This valuable resource also includes, where appropriate, reference to Rules of Civil Procedure as they affect the challenges to arbitral awards before the Courts.

Éthique de l'entreprise : questionnement philosophique

Michel Dion

\$75

Depuis la fin des années 1960, l'éthique est devenue, dans le milieu des affaires, un chemin obligé. Non pas que l'éthique n'était pas déjà présente, mais plutôt que le besoin social de la rendre plus explicite se faisait sentir de plus en plus intensément. Les codes d'éthique se sont répandus dans tous les secteurs économiques, parfois en entretenant une confusion entre l'éthique et le droit, parfois en respectant l'autonomie de l'une et de l'autre, bien qu'ils soient en interaction dynamique. Les entreprises ont multiplié les documents dans lesquels elles pouvaient faire part de leur conception de l'éthique et de son étendu d'application : mission et vision corporative, énoncé de valeurs organisationnelles, code d'éthique et politiques organisationnelles, rapports de responsabilité sociale ou de développement durable. Le discours moral développé dans les entreprises pose de plus en plus de questions d'ordre philosophique. Puisque la philosophie est l'une des principales sources de la réflexion éthique, il est normal que de tels questionnements aient surgi. Les questions philosophiques qui se posent encore aujourd'hui sont de deux ordres. D'une part, comment pouvons-nous considérer le discours moral corporatif d'un point de vue philosophique ? D'autre part, comment les théories éthiques philosophiques peuvent-elles aider les gens d'affaires à prendre des décisions éthiques ? C'est à ces deux types de questionnement que le présent ouvrage tentera d'apporter un éclairage le plus précis et le plus pertinent possible. Dans la première partie de l'ouvrage, les lecteurs trouveront un tableau des principaux conflits éthiques en affaires. Dans une deuxième partie, c'est le discours moral corporatif qui est analysé d'un point de vue philosophique, en tant que récit sur l'éthique organisationnelle. Dans la troisième partie, les théories philosophiques les plus couramment utilisées en éthique des affaires sont mises en relation avec la prise de décision en affaires.

Profiting From Risk Management and Compliance (formerly Regulatory and Corporate Liability: From Due Diligence to Risk Management)

The Honourable Mr. Justice Todd L. Archibald and Kenneth E. Jull

\$484

Gain important perspectives in the field of white-collar compliance including analysis of the new regime for deferred prosecution agreements which are at the vortex of the SNC-Lavalin affair. This text combines user-friendly risk management matrix diagrams and flow charts with analysis from various perspectives on risk by leading academics.

There are new chapters on the following topics:

- Deferred prosecution agreements, immunity and leniency: permissible and prohibited routes
- Compliance: Behavioral theory, gender and diversity
- Governance and the best interests of the corporation in a global context
- Competition Act offences, violations and efficiency
- Insider trading and securities offences
- Environmental offences
- Occupational Health and Safety
- Compliance systems and operational change
- Internal investigations

Topics include foreign corruption, insider trading, price fixing, deceptive marketing, fraud and sexual assault in the workplace. The central thesis of **Profiting from Risk Management and Compliance** is that higher risk control and better governance leads to higher rewards financially.

Code criminel annoté 2020 (livre imprimé + livre numérique)

Guy Cournoyer

\$156

Livre numérique

\$130

Livre imprimé

\$130

Un contenu réfléchi, de l'information juste et précise, des résumés éclairants : depuis ses débuts, le Code criminel annoté Cournoyer-Ouimet a su se mériter l'estime des juges, des avocats et des policiers par sa rigueur et sa pertinence.

Découvrez l'édition 2020 sous divers médias, du plus classique au plus technologique.

- Plusieurs milliers d'annotations, qui résument les décisions clés de la Cour suprême du Canada, ainsi que des tribunaux québécois et des autres provinces canadiennes en matière pénale et criminelle. Ces résumés permettent de comprendre l'application pratique des principes élaborés par les tribunaux.
- Intégration des modifications législatives depuis la dernière édition, y compris C-75, C-59 et C-84.
- Les versions française et anglaise du *Code criminel* et d'une trentaine de lois et règlements connexes, notamment :
 - *Loi sur le cannabis*, L.C. 2018, ch. 16
 - *Loi encadrant le cannabis*, L.Q. 2018, ch. 19
 - *Charte canadienne des droits et libertés*
 - *Loi réglementant certaines drogues et autres substances*
 - *Loi sur l'administration des biens saisis*
 - *Loi sur le casier judiciaire*
 - *Loi sur la preuve au Canada*
 - *Loi sur le système de justice pour les adolescents*
 - *Loi sur les armes à feu et ses règlements*
 - *Loi sur l'identification par les empreintes génétiques*
 - *Loi sur l'enregistrement de renseignements sur les délinquants sexuels*
- Table des entrées en vigueur de toutes les modifications au Code criminel et aux lois connexes.
- Références aux principaux recueils et banques de données où sont publiées les décisions (ex. : R.C.S., C.C.C., C.R., La référence, etc.).
- Sous chaque article qui le nécessite, une table des matières qui énonce les nombreuses rubriques sous lesquelles sont classées les annotations afin d'en faciliter la consultation et de permettre de trouver rapidement l'information recherchée.
- Références aux principaux textes de doctrine pour approfondir des sujets particulièrement importants.
- Table de jurisprudence faisant référence à l'article et à la page.
- Index analytique intégré.

Mack's Criminal Law Trial Book - 2019 Edition (Print + ProView eBook)

Dallas Mack and Miriam Fahim

Designed to be the first, quick-reference resource for trial lawyers and judges, **Mack's Criminal Law Trial Book – 2019 Edition** seeks to provide a quick answer on issues as they arise during trial proceedings, or a starting point for more in-depth research in preparation for a trial. Organized in a logical and easily accessible fashion reflecting the chronology of a criminal trial process – including bail, evidence, Charter, trials and sentencing – each section of **Mack's Criminal Law Trial Book – 2019 Edition** covers a number of legal issues from a variety of topics. Under each issue, concise summaries of the law with references to the relevant cases (with pinpoint citations) that support the summary are provided. The summaries then string together ratios and points from the various cases into a cohesive statement of the law. **Mack's Criminal Law Trial Book – 2019 Edition** is sure to be an ideal trial companion for busy practitioners.

Prix de la Fondation du Barreau du Québec 2018 – Catégorie Répertoire et manuel de pratique professionnelle

Sous la direction de Benoît Moore

« Le Code civil au quotidien », tel pourrait être le titre de cet ouvrage imaginé et rédigé par quatre professeurs bien connus des juristes pour leurs écrits, appuyés de deux autres auteures et d'une importante équipe de collaborateurs.

Cet ouvrage analyse, en un seul volume mis à jour annuellement, l'ensemble du Code civil du Québec. Conçu d'abord et avant tout comme un outil pratique, il propose, dans un minimum d'espace, un maximum d'informations, contextualisées et structurées afin de présenter une synthèse juste, et la plus objective possible, de l'état du droit sur une question. Cette approche permet d'avoir une vision la plus complète possible d'une matière, de situer rapidement la règle applicable et d'amorcer une recherche efficacement.

Le livre contient plus de 12 000 références jurisprudentielles qui renvoient aux décisions de principe ou, dans certains cas, aux illustrations topiques les plus récentes. Les milliers de références doctrinales intégrées aux commentaires orientent, quant à elles, le lecteur sur des questions plus précises.

Labour and Employment Special Report: Joint Health and Safety Committees – A Resource Guide for Effective Training, Second Edition

Dilys Robertson

This Special Report is intended to help organizations assess the current effectiveness of their Joint Health and Safety Committees (JHSCs) and provide guidelines and tools to facilitate movement from one stage of the continuum to the next. It has a special focus on developing training programs for JHSC members. The book outlines the skills and knowledge required by JHSCs for basic legal compliance as well as due diligence. It also highlights the need for going further than basic legal compliance, considering the degree of integration with the internal responsibility system and the need for effectiveness training. The book also includes practical tools and guidelines you can use and incorporate into your own organization.

Wealth Planning Strategies for Canadians 2020

Christine Van Cauwenberghe, B.Comm. (Hons), LL.B., CFP, TEP

\$73

Maximize your clients' personal tax and estate planning efforts with the right financial strategy for every life stage with **Wealth Planning Strategies for Canadians 2020**. **Wealth Planning Strategies for Canadians 2020** offers coverage of the relevant laws in every Canadian jurisdiction. It provides comprehensive consideration of the strategies required to cover off financial planning, tax planning, disability planning, estate planning, insurance planning, and family law issues, as well as discussion of the legal implications of properly and improperly executed wealth plans. Comprehensive case studies show how the various rules work or don't work together in particular situations, and are an important component of this book.

[New in this edition ›](#)

[Table of contents ›](#)

"Van Cauwenberghe's 20+ years of experience as a tax and estate lawyer come across clearly in this book, but what really makes this title stand apart from other financial/wealth planning books is how the author presents the information. She truly keeps the reader in mind, and that makes this book a must-have in one's financial/wealth planning library."

From the book review of by Wealth Planning Strategies for Canadians 2018 by Helen Mok, Calgary Librarian, Parlee McLaws, 2018 Canadian Law Library Review/Revue canadienne des bibliothèques de droit, Volume/Tome 43, No. 2

Intellectual Property

Législation canadienne en propriété intellectuelle 2020 / Canadian Legislation on Intellectual Property 2020

Ejan Mackaay, Ysolde Gendreau

Tous les textes législatifs et réglementaires nécessaires à l'étude ou à la pratique du droit de la propriété intellectuelle au Canada sont réunis dans cet ouvrage, dans leurs versions française et anglaise. De plus, on y trouve les formules suggérées par l'Office de la propriété intellectuelle du Canada sur les marques de commerce. Un index bilingue complète cet ouvrage qui vise un public varié composé de juges, avocats, auteurs, artistes, entreprises industrielles et tous ceux souhaitant rester informés quant aux nouveautés en matière de droit de la propriété intellectuelle. Les textes de cette édition annuelle sont à jour en juin 2019, sauf exception. Les textes votés et sanctionnés, mais non encore en vigueur à la date de tombée, sont présentés dans des zones ombrées.

Taxation

Administration of Income Tax 2019 (Print + ProView eBook)

Colin Campbell, B.A., M.Sc., Ph.D., LL.B.

\$218

ProView eBook only

\$182

Print only

\$182

The 2019 edition has been updated to reflect changes in case law and policy since the last edition.

Administration of Income Tax is a comprehensive treatment of the law governing the administration of federal income tax in Canada (and provincial income taxes administered by the CRA under collection agreements). It is written from a taxpayer's perspective and provides the framework for tax returns, payments, audits, assessments and reassessments, objections, and appeals.

Guide de référence rapide 2019-2

McCarthy Tétrault LLP

Unique à Thomson Reuters, ce guide pratique se veut un outil de référence englobant toute l'information relative aux taux d'imposition, et bien plus encore. Guide de référence rapide est maintenant disponible gratuitement à l'achat de la Loi de l'impôt sur le revenu, 40^e édition. Nouvelles éditions publiées 2 fois par années en commandes permanentes.

\$79

Impôt sur le revenu des particuliers et sociétés, 36^e édition 2019-2020

Robert Morin, Marc Papillon, Michael Lafontaine, CPA, CGA, M. Fisc Marie-Andrée Babineau, CPA, CA, M. Fisc

Rédigé à l'intention des étudiants et pouvant servir aux recherches des praticiens, le volume Impôt sur le revenu des particuliers et sociétés est un texte de base indispensable à la compréhension de la Loi. Tous les chapitres intègrent la législation fédérale et québécoise, et des notes infrapaginales ont été ajoutées afin de souligner les différences majeures entre ces deux législations. Il aborde tous les thèmes de la loi, tels le calcul du revenu net, du revenu d'emploi, d'entreprise, du gain en capital ainsi que le calcul du revenu imposable et de l'impôt des particuliers et sociétés.

Synthèse Des Ouvrages

- Le volume couvre les aspects les plus importants relatifs aux impôts des particuliers et des sociétés, tant au fédéral qu'au provincial
- Il est accompagné de cahiers de problèmes (Tome I et II) avec de nombreux exemples facilitant la compréhension de la théorie expliquée dans le volume
- Livres académiques utilisés depuis plus de 25 ans dans la majorité des universités francophones.

\$134

Impôt sur le revenu des particuliers et sociétés – Problèmes d'impôt solutionnés Tome I, 36^e édition 2019-2020

Robert Morin, Marc Papillon, Michael Lafontaine, CPA, CGA, M. Fisc Marie-Andrée Babineau, CPA, CA, M. Fisc

L'objectif de ces recueils de problèmes : l'intégration et la maîtrise des connaissances étudiées dans l'ouvrage Impôt sur le revenu des particuliers et sociétés. Ils offrent à l'étudiant un large éventail d'études de cas, dont les solutions sont proposées de manière très détaillée, afin d'offrir les meilleures chances de maîtrise des notions législatives.

\$48

Impôt sur le revenu des particuliers et sociétés – Problèmes d'impôt solutionnés Tome II, 36^e édition 2019-2020

Robert Morin, Marc Papillon, Michael Lafontaine, CPA, CGA, M. Fisc Marie-Andrée Babineau, CPA, CA, M. Fisc

L'objectif de ces recueils de problèmes : l'intégration et la maîtrise des connaissances étudiées dans l'ouvrage Impôt sur le revenu des particuliers et sociétés. Ils offrent à l'étudiant un large éventail d'études de cas, dont les solutions sont proposées de manière très détaillée, afin d'offrir les meilleures chances de maîtrise des notions législatives.

Introduction à la fiscalité internationale au Canada, 8^e édition

Jean-Pierre Vidal

Ce livre est un compagnon de voyage pour quiconque veut découvrir ou redécouvrir divers aspects de la fiscalité internationale. Il s'adresse aux étudiants de maîtrise en fiscalité et à tous les fiscalistes qui désirent actualiser leurs connaissances. Il s'agit donc non seulement d'un manuel, mais également d'un livre de référence. Trois stratégies ont été retenues pour écrire ce livre. Premièrement, fournir des explications claires avec de nombreux dessins, beaucoup d'exemples et plusieurs cas pratiques accompagnés de solutions détaillées. Deuxièmement, guider le lecteur à travers les méandres de l'interprétation, de la résidence, de l'établissement stable, de l'investissement au Canada, des sociétés étrangères affiliées et du prix de transfert. Troisièmement, offrir des informations sur le contexte et l'objet de la loi, parce que si l'on ne comprend pas ce que le législateur voulait permettre ou empêcher, on ne peut pleinement saisir ce qu'il a écrit. Ces trois stratégies font de ce livre un outil indispensable pour apprivoiser ce domaine passionnant qu'est la fiscalité internationale.

Introduction to International Tax in Canada, 7th Edition

Jean-Pierre Vidal.

A travel companion for anyone who wants to discover or rediscover various aspects of international taxation, Introduction to International Tax in Canada is intended not only for all tax specialists who wish to update their knowledge but graduate students in taxation as well.

Unique to Thomson Reuters, this publication discusses the fundamental notions of international taxation, the matter of foreign affiliates, with chapters concerning foreign accrual property income, shareholders' dividend and reclassification of certain income concepts as well as tax issues pertaining to some hot topics such as E-Commerce and BEPS. The book guides professionals and students through the concepts of transfer pricing with respect to OECD (Organization for economic co-operation and development), in relation with both Canada and the United States' regulations. Finally, in addition to the theoretical section, the reader has access to valuable exercises at the end of each chapter, which makes this book a complete tool and a solid reference in international taxation for both students and practitioners.

\$183

Livre imprimé
\$183

La législation en matière d'application et d'exécution des lois fiscales québécoises se retrouve dans une seule loi : la Loi sur l'administration fiscale. Il est donc essentiel pour tout praticien fiscaliste de bien en connaître le fonctionnement. Unique sur le marché, l'ouvrage La Loi du Praticien – Loi sur l'administration fiscale, 19^e édition 2019 offre un examen complet de la Loi sur l'administration fiscale et de ses règlements d'application. Le texte intégral de la Loi y est reproduit en français et en anglais, suivi des références autant gouvernementales et doctrinales que jurisprudentielles, ainsi que des commentaires des auteurs. C'est le point de départ idéal de toutes vos recherches.

Principes de fiscalité : Affaires, placements, financement et situations personnelles, Édition 2019

Claude Beauregard André Labelle

Avec la collaboration de Marc Papillon et Robert Morin

Ce volume s'adresse aux étudiants, ainsi qu'à toute personne ou compagnie qui désire apprendre et connaître les grands principes généraux de la fiscalité. Très pratique, il vous propose un contenu divisé en deux parties. La première doit être perçue comme une formation initiale en fiscalité permettant la prise de décision, alors que la deuxième expose la matière par sujet regroupés (entreprise, placement).

When I Die: Financial Planning for Life and Death, 8th Edition

Garry Duncan, FCPA, FCA, Andrew G. Duncan

Gain improved understanding of estate planning and the tax implications of death. This book is a guide on how to minimize taxes on death. Set up as a practical workbook, this guide educates readers using a simplified explanation of a rather complex area of tax for the non-professional. Readers benefit by gaining an improved understanding of what estate planning is, the tax implications of death, and the opportunity to plan an effective tax strategy to enhance the estate's net worth and minimize taxes on death. This book will help prepare readers for the intricate process of estate planning and save their estate money by reducing the tax burden.

Standing Order/Subscription Terms

Thomson Reuters Canada offers a wide range of electronic and print products for legal, tax, and business professionals. Products distributed by, but not published by, Thomson Reuters Canada fall within the terms and conditions of sale of the specific publisher.

Annual and Periodical Subscriptions

Unless otherwise instructed at the time of the order, purchasers are automatically placed on subscription and automatically renewed and invoiced for subsequent subscription periods. A shipping and handling charge is included on the renewal invoices to cover costs involved in the delivery of the updates/parts over the subscription period.

Bound Books

Unless otherwise instructed at the time of the order, we place purchasers of bound books on standing order to automatically receive replacement annual or biennial editions and supplemental material. If a new annual or biennial edition is published **within 60 days** of purchasing the prior edition, the new edition is supplied at no charge. Customers have the option of requesting to be placed on advise status for notification when new editions are published. *This policy is limited to single copy purchases and does not apply to bulk copy orders.*

Supplemented Books/Services

Purchasers are automatically placed on subscription for upkeep supplements. Supplements are invoiced as published – free if issued within 60 days of purchasing the supplemented book or service. Expansion volumes are invoiced as issued, regardless of the date the main work was purchased.

Payment Terms

All invoices are due and payable to Thomson Reuters Canada within 30 days of the invoice date unless otherwise noted on the invoice or agreed to in writing. A late payment fee of 1.5% per month is charged on all invoices beyond terms. You may pay by major credit card, cheque, or money order.

If you require general information regarding a missing or damaged shipment, the status of an order/subscription or the cost of reinstating a cancelled subscription, please call Customer Relations (Monday to Friday 8:30 a.m. to 5:30 p.m. Eastern Time) at the numbers listed.

Prices are stated in Canadian funds. Customers outside Canada will be invoiced in equivalent U.S. funds. Prices subject to change without notice and subject to applicable taxes. Shipping and handling are extra.
